Resident Survey

I have been a resident of Westchester for (# of years):

What aspects of the Village are most important to maintain for your ideal quality of life in Westchester?

Where would you prefer to see new retail development or redevelopment happen in Westchester (select one):

What types of retail stores would you shop if they were located in Westchester (excluding large big-box retailers)?

What restaurants you would enjoy and dine at if they were located in Westchester?

What kinds of family oriented businesses would you and your family like to see in Westchester?

What medical services or urgent care do you wish were available in Westchester?

What would encourage you to patronize Westchester businesses more frequently?

Do you have any comments, suggestions, or ideas that you would like to share with us?

Please return your survey by 1/30/12 to the Village Office or several drop boxes located throughout the Village or by email at edc@westchester-il.org. We thank you for your participation in this effort.
