Code Specifications:

- **Location:** Installation must be entirely within the limits of the property. The posts must be on the inside of the fence. No fencing is permitted past the front setback of the house.
- **Height Limit:** The maximum height of a fence is 6 feet.
- **Minimum Depth:** Post holes must be a minimum of 36 inches deep.
- **Swimming Pools:** If this fence is to enclose a pool, the fencing may not be installed with horizontal pieces or anything that could be used as a ladder for a child to climb over. Fences for pools must have self-closing gates that can be locked. Please see pool permit application for additional requirements.
- **Required Inspection:** A post hole inspection must be made before any fence post can be set.
