

“National Night Out”

August 7th, 2012

All Westchester Residents and Business Owners are invited to join in our 1st National Night Out. A night where we all, Residents, Police, Park District, and Village come together to form a partnership for a safer community.

Our evening celebration will begin at 6:30 pm at Gladstone Park. From there we will march south down Westchester Blvd. to the Westchester Community Park. Residents will be treated to an hour of free swim in the Community Pool while a local band plays nearby. As the sun sets over the park, residents will enjoy a family movie on the big screen. Meet our Crime Prevention Officer and get some free and valuable safety information.

So join us on “National Night Out.” Meet your neighbors and show your community support!
