

**Village of Westchester
Summary of Employee Salaries Exceeding \$75,000**

Recent legislative changes and administrative decisions have affected the interpretation and application of the Illinois Open Meetings Act (5 ILCS 120/1 et seq. ("OMA")). Public Act 97-0609 requires employers participating in the Illinois Municipal Retirement Fund to publicly post the total compensation package of certain employees.

Public Act 97-0609, effective January 1, 2012, and codified in Section 7.3 of the OMA, requires an employer participating in IMRF, within six (6) days of approving its budget, to post on the employer's website the total compensation package for each employee having a total compensation exceeding seventy-five thousand dollars (\$75,000). Total compensation package is defined in the OMA as, "...payment by employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted."
